**Have you downloaded the app yet?** We are excited to now offer this new service to our members! Hand outs have been placed throughout the church with steps on how to sign up/ download and then use the app.

The best part of this is having the church directory at your fingertips! Once downloaded, you will be able to update your information, upload family pictures, and more to have an updated list for our church members.

We will continue to have our weekly emailed newsletter, bulletin for the service and more to help relay information.

Go to your app store on your phone.  
Search for "Realm- Connect"

Download the app (it is FREE!) Create a login/ account with your email address. Once you have your account created, scan the QR Code for our church's profile/connection. Our QR Code is specific! Then you're all set. If you have information to update, you can do that under the "Profile" section. Your profile is where you can upload a picture of yourself/family so we can have an updated directory of members. This is also a way to set up online giving!
