Recognizing the importance of Missions to the overall function of the Church, the Administrative Team moves that the Missions Team be included as part of the Administrative Team.

To facilitate this change, we also move that the By Laws be changed in Article VII Section 2.4 to read 9 instead of 8 and Missions be listed. Also, in Article VII Section 5.3.3 it will be noted that the Deacon Nominating Team will be responsible for nominating the Missions Team Leader. This will be handled just like Building and Grounds, Sunday Life Groups and Technology.

This motion will be brought before the church Sunday, July 7th for discussion and vote at the end of Service. If passed, the Missions Teams will become part of the Administrative Team in the August Business Conference.
